Md. Tanzamul Azad

Full Stack Developer | AI & Security Researcher
Dhaka, Bangladesh | 01606092143 | i.m.tanjamul@gmail.com
tanzamul.dev | GitHub | LinkedIn | ORCID: 0009-0002-1529-6580

Summary

Full Stack Developer and AI & Security Researcher completing a B.Sc. in CSE (Data Science) at United International University. Builds web and mobile applications, backend services, and LLM-integrated products; studies trustworthy LLM systems and agent security. Open to software-development roles and research collaboration.

Education

United International University (UIU), Dhaka, Bangladesh 2022 – Present
B.Sc. in Computer Science & Engineering, Major in Data Science | **CGPA: 3.85/4.00** | 50% Merit Scholarship
Core coursework: Data Structures & Algorithms, OOP, DBMS, Operating Systems, Linear Algebra, Statistics
HSC, Dhaka College, GPA 5.00/5.00 (2020) | **SSC**, Govt. Laboratory High School, GPA 5.00/5.00 (2018)

Research (Ongoing)

Interests: NLP, LLM reasoning & faithfulness, Generative AI, secure AI agents, federated learning, efficient edge AI.

- **Faithfulness-Checked Neuro-Symbolic Reasoning with LLMs** *In progress; target: ACL*
- **Effect-Level Security for MCP Tool Servers (LLM Agents)** *In preparation; target: USENIX Security 2027*
- **Energy-Efficient Federated Intrusion Detection for IoT** *In preparation; target: IEEE IoT Journal*
- **Camera-Free Indoor Scene Reconstruction (Embedded Sensing)** *In preparation; target: CVPR 2027*

Selected Projects

PolarWindow (In development) | **GitHub** 2026
Research & Mission Analysis Contributor | React, TypeScript, FastAPI, Three.js, SPICE
- Contributes research inputs for wind checks, rover line-of-sight terrain, and launch-window constraints to an independent CLPS lunar mission browser; frontend work is planned next.

Complete Legal Aid | Request source | Live 2025 – 2026
Frontend & Backend Developer | React, TypeScript, Django, PostgreSQL, Redis
- Worked on both frontend and backend workflows for a bilingual legal-aid platform, connecting role-based interfaces, application services, and real-time messaging.

Dawat (In development) | **GitHub** 2026
Full-Stack Developer | Next.js, React, TypeScript, PostgreSQL
- Building a Bangla-first digital wedding-invitation platform with personalised household links, event-specific invitations, and RSVP tracking.

SkillEx | GitHub 2026
Full-Stack Developer | React, TypeScript, Spring Boot, Java, MySQL
- Built a peer skill-exchange platform with semantic matching between complementary learning goals and teaching offers, supported by authenticated full-stack workflows.

RadFlow | GitHub 2026
Frontend Developer & UI/UX Designer | React, TypeScript, Tailwind CSS
- Designed the UI/UX and developed the frontend for a collaborative, offline-first radiology triage prototype, focusing on how users navigate the interface and review information.

AI Orchestrator (OrchestratorCLI) | GitHub 2026
Frontend, Windows Runtime & Packaging Contributor | Electron, React, TypeScript
- Contributed frontend development alongside Windows runtime and packaging support for a collaborative desktop platform that coordinates AI coding CLIs.

Teaching Experience

Academic Tutor (Independent) Ongoing
Mathematics & Science – Classes 10–12 and university admission preparation.

Technical Skills

Frontend / UI: React, Next.js, TypeScript, JavaScript, Tailwind CSS, Electron, Figma, UI/UX design
Backend / Data: Django, FastAPI, Flask, Spring Boot, REST APIs, WebSocket, PostgreSQL, MySQL, Redis
AI / Research: LLM APIs, RAG, FAISS, ChromaDB, PyTorch, scikit-learn, spaCy, OpenCV
Tools / Languages: Git, GitHub, Docker, Google Cloud, Linux, Postman; Python, Java, C/C++, SQL
Spoken: Bangla (native), English (professional)

Honors & Awards

- **Champion**, UIU CSE Project Show (System Analysis & Design), Complete Legal Aid — Summer 2025
- **3rd Runner-Up**, UIU CSE Project Show (Software Engineering), Complete Legal Aid — Fall 2025
- **4th Runner-Up**, UIU CSE Project Show, Care Companion (AI + IoT) — 2024
- **3rd Place**, National Math & Physics Olympiad, Junior Level (BdMOC) — 2016
